Co-author: Cristina Orso

Targeting long-term care for older people: a comparative analysis across OECD countries

Gori, Cristiano-PSSRU, LSE, United Kingdom

Informal carers – Chair: T.Inoue (Japan)

Fifteen Years of Carer-blind LTCI System in Japan
Inoue, Tsuneo- Doshisha University, Japan

Gender Differences in the Determinants of Mental Health of Co-residential Caregivers
Narimasa, Kumagai- Kinki University, Japan

An analysis of the treatment of informal care as a social risk in England
Morgan, Fiona-University of Bath, University of Wolverhampton, United Kingdom

Regulation – Chair: J. Forder (United Kingdom)

How can local authorities be supported in the use of survey data for quality or performance improvement?
Razik, Kamilla- PSSRU, University of Kent, United Kingdom

Is outcomes-based management and policymaking a reality for local government?
Heath, Clara-University of Kent, United Kingdom
Co-authors: Julien Forder, Juliette Malley

Professional discretion in the construction of Adult Safeguarding Concerns
Stevens, Martin- King's College London, United Kingdom
Co-Autors: Tortosa, MARIA ANGELES and Puga, MARIA DOLORES

Long-Term Care funding – Chair: B. Browne (Australia)

Long Term Care Insurance: a survey of insurer attitudes in Australia
Browne, Bridget- Australian National University, Australia

Financing Trends across the OECD
Nadash, Pamela- University of Massachusetts, Boston, The USA
Co-author: Jose-Luis Fernandez

Developing a successful long-term care insurance sector in the UK: lessons from the the US market
Butler, Stuart & Vince Bodnar, Towers Watson, United Kingdom

11:30 - 11:45 Coffee break

11:45 - 13:15 Parallel sessions

Individual Presentations

Health and social care integration – Chair: B. Le Bihan (France)

The impact of joint funding of social care on health care system outcomes
D'Amico, Francesco-PSSRU, LSE, United Kingdom
Co-author: Jose-Luis Fernandez

Constructing elderly care integration and coordination as a policy issue – Evidence from France and Sweden
Le Bihan, Blanche- French School of Public Health (EHESP), France
Co-author: Alis SOPADZHIYAN

Health and social care policies for people with chronic conditions in France: Similar issues, specific features and general recommendations

Bloch, Marie-Aline- EHESP-French School of Public Health, France
Co-author: Léonie Hénaut

Outcomes – Chair: W. Berta (Canada)

Insights into the Work lives of Health Support Workers in Canada

Berta, Whitney- University of Toronto, Canada
Co-authors: Liane Ginsburg, Audrey Laporte, Jennifer Baumbusch, Colin Reid

Factors associated with unpaid carers' quality of life: The similarities and differences between ethnic groups

Fox, Diane- PSSRU, University of Kent, United Kingdom

Co-authors: Theresia Baumker, Ann Netten

What affect residents' nursing homes satisfaction: Italy versus Ontario experiences

Amat, Pietro - Scuola Superiore Sant'Anna di Pisa, Italy

Co-authors: Seghieri Chiara, Kevin Walker, Walter Woodchis

Health and Social Care integration – Chair: M. Thorslund (Sweden)

Care for Older people in Scotland: Data from the 'Social care, Housing and Health Data Linking Project'

Bell, David

Co-authors: Alasdair Rutherford; Robert Wright; Susan Murray

Delivery of Institutional Long-term Care under Two Social Insurance Schemes: Does it work?

Hongsoo, Kim- Seoul National University, South Korea

Co-authors: Young-Il Jung, Soonman Kwon

The increasing number of elderly people with complex health problems implies a need for more and improved models for coordination and collaboration

Thorslund, Mats-Aging Research Center, Karolinska Institutet, Stockholm University, Sweden

Co-authors: Bettina Meinow, Lennarth Johansson

Economics of Long-Term Care – Chair: N. Coe (USA)

Relative Cost Effectiveness of Informal Care, Social Care and Paid Help Services in Preventing/Postponing Care/Nursing Home Admissions

Nizalova, Olena-PSSRU, University of Kent, United Kingdom

Co-author: Julien Forder

What is home care policy and how can it be measured? A latent variable model

Gonçalves, Judite- Geneva School of Economics and Management, University of Geneva, Switzerland

Co-author: France Weaver

Formal Home Health Care: Is it worth it?

Coe, Norma- University of Washington, The USA

Co-authors: Tamara Konetzka, Jing Guo, Courtney van Houtven

13:15 - 14:15 Lunch

14:15 - 15:00 PLENARY SESSION

Long-term care between the local and the global

Ulrike Schneider-Vienna University of Economics and Business, Austria

15:15 - 16:45 Parallel sessions

Individual Presentations

Care Models – Chair: T. Lum (Hong Kong)

Enabling Meaningful Participation In Research in Elder Residential Care

Killett, Anne- University of East Anglia, United Kingdom

Co-authors: Fiona Poland, Bridget Penhale

Implementing innovative practices in resource poor nursing homes: Comparing culture change and palliative care

Tyler, Denise- Brown University, the USA

Co-authors: Renee R. Shield, Susan C. Miller

Preliminary findings from the Community Care Voucher Pilot Program in Hong Kong

Lum, Terry-The University of Hong Kong

Economics of Long-Term Care – Chair: TBC

Moral Hazard and Long-Term Care Insurance

Konetzka, Tamara R- University of Chicago, the USA

Co-authors: Daifeng He, Jing Guo, John Nyman

Long-term care insurance for married individuals: Insuring one without the other?

Coe, Norma B- University of Chicago, the USA

Co-authors: Tamara R Konetzka, Courtney van Houtven

Financial literacy and long-term care insurance coverage

Gousia, Katerina-PSSRU, CHSS, University of Kent, United Kingdom

International comparative analysis – Chair: P. Luczak (Poland)

A tale of integration and fragmentation: LTC services provision in four European cities

Fosti, Giovanni- CERGAS, Centre for research on health and social care management, Bocconi University, Milan; SDA Bocconi School of Management. Italy

Co-authors: Francesco Longo, Elisabetta Notarnicola, Andrea Rotolo, Stefano Tasselli

Between reforms and formulations: Long-term Care policies in Poland and the Czech Republic

Luczak, Pawel- Poznan University of Economics, Poland

16:45 - 17:00 Coffee break

17:00 - 18:00 Parallel sessions

Individual Presentations

New models of care and assessment – Chair: F. Ródenas Rigla (Spain)

Application of screening tools of chronic patients for case-management programmes in Primary Care in Spain

Ródenas Rigla, Francisco- Polibienestar Research Institute - University of Valencia, Spain

Co-authors: Ascensión Doñate-Martínez & Jordi Garcés Ferrer

The study on the status and factors of medical and rehabilitation service utilization among old disabled population in China

Chao, Guo -Institute of Population Research, Peking University, Beijing, China

Co-author: Xiaoying Zheng

Care managers' perspectives on new national eligibility regulations for adult social care and support in England

Marczak, Joanna –PSSRU, LSE, United Kingdom

Co-authors: Jose-Luis Fernandez, Tom Snell

Funding and insurance in long-term care-Chair: TBC

Care Funding Puzzle – the Complexity of Social Finance

Marska-Dzioba, Natalia- University of Szczecin, Poland

How pensions can help meet consumer needs under the new Social Care regime in England

Rickayzen, Benjamin- Cass Business School, City University London, United Kingdom

Co-authors: Thomas Kenny, Jerry Barnfield, David Curtis, Linda Daly, Ailsa Dunn, David Passey and Audrey Teow

A longitudinal and survival model with health care usage for insured elderly

Piulachs, Xavier - Universitat de Barcelona, Spain

Co-authors: Ramon Alemany, Montserrat Guillén

Personalisation of the care system – Chair: I. Linnosmaa (Finland)

Disability housing support research framework

Fisher, Karen- Social Policy Research Centre, University of New South Wales, Australia

What affects residents and family experience with Nursing Homes in Italy

Palatella, Linda- Scuola Superiore Sant'Anna di Pisa, Italy

Co-authors: Barsanti Sara, Rosa Antonella

Choice and effectiveness of home care for the elderly

Linnosmaa, Ismo-the National Institute for Health and Welfare, Centre for Health and Social Economics (CHESS), Finland

Co-authors: Aija Kettunen and Marina Stefansson- Diak University of Applied Sciences

Tuesday, 2nd September, 2014

08:00 - 15:00 Registration

09:00 - 09:45 PLENARY SESSION

Economics of Informal Care: Do we know enough to advocate for policy change?

Courtney Van Houtven- Duke University School of Medicine, the USA

10:00 - 11:20 Parallel sessions

Health and social care integration – Chair: S. Dhont (The Netherlands)

Organised Session

Towards an integrated research design for studying integrated care

Ezra Dessers- KU Leuven, Belgium

Co-authors: Geert Van Hoogem, Steven Dhondt

But does it work? The challenge of evaluating complex integration projects: the experience from England

Ruth Thorlby- Nuffield Trust, United Kingdom

An action program for integrated services of care, cure and community in Amsterdam, the Netherlands

Evelien Rijken-TNO, The Netherlands

Co-authors: R. Steenbeek, Yvonne Jansen, D. van der Klauw, T. Kniep & J. van Genabeek

Informal carers – Chair: Ilinca S. (Austria)

Individual Presentations

Comparing caregiving patterns of older people in poor and good health in Europe

Ilinca, Stefania- European Centre for Social Welfare Policy and Research, Austria

Co-authors: Andrea E. Schmidt; Katharine Schulmann, Ricardo Rodrigues, Andrea Principi, Francesco Barbabella, Agnieszka Sowa, Stella Golinowska, Henrike Galenkamp, Dorly Deeg

Double Responsibilities of Care: Emerging new social risks of women providing both elderly care and childcare

Yamashita, Junko- University of Bristol, United Kingdom

Co-author: Naoko Soma

Examining family members' mental health as a possible index of caregiving burden

Ogura, Seiritsu- Hosei University, Japan

Co-author: Sanae Nakazono

Long- term Care financial system in China – Chair: Hong Mi, Bei Lu

Organised Session

Research on Innovation of Medical-Nursing Combined Institutional Care Mode

Mingxu Yang&Guanggang Feng- Zhejiang University, China

Co-author: Guolong Wang

Establishment and Empirical Study of Fund-Raising Pattern of Long-Term Care Integrating with Health care in China

Hong Mi-Zhejiang University, China

Rural Long term care policy for China: Evidence from CHARLs
Bei Lu- University of New South Wales, Australia

Long-Term Care Integrating with Health care in China
Hong Mi- Zhejiang University, China

Long term care and its solutions in China
Bei Lu - University of New South Wales, Australia
Co-author Mingxu Yang

Dementia care – Chair: Y. Murukami (Germany)

Individual Presentations

Innovative care models to strengthen the response of health and social care systems for care of people with dementia across OECD countries

Murakami, Yuki-OECD, Germany
Co-authors: Francesca Colombo, Tim Muir, Klara Lorenz

Modelling the Costs of Dementia Care in the UK
Wittenberg, Raphael-PSSRU, LSE, United Kingdom
Co-authors: Martin Knapp, Adelina Comas-Herrera, et.al.

Loneliness, frustration and joy: the complexities of caring for someone with dementia
Moriarty, Jo- King's College London, United Kingdom
Co-authors: Jill Manthorpe Michelle Cornes

11:20 - 11:45 Coffee break

11:45 – 13:15 Parallel sessions

Informal carers – Chair: F. Krehl (Germany)

Individual Presentations

Changes in the balance between formal and informal care supply in England between 2001 and 2011
Zigante, Valentina-PSSRU, LSE, United Kingdom
Co-authors: Jose-Luis Fernandez (PSSRU, LSE), Fernanda Mazzotta (University of Salerno)

The Exchange Motive and Informal Long-Term Care: Evidence from the HRS Exit-Interviews
Krehl, Frederic- Center for Macroeconomic Research, University of Cologne, Germany
Co-author: Max Groneck

Alzheimer's Disease: Is a caregiver's value dependent on their caring skills?
Bellanger, Martine- Ecole des Hautes Etudes en Sante Publique, France
Co-author: Chloé Gerves

Does 'replacement care' help unpaid carers remain in employment in England? Analysis using large-scale survey data
King, Derek-PSSRU, LSE, United Kingdom
Co-authors: Linda Pickard, Nicola Brimblecombe, Martin Knapp

Recent international developments in private LTC insurance systems – Chair: P. Nadash (USA)
Organised session

Discussant: Nathalie Racco- Swiss Reinsurance Company Ltd, Switzerland

Developing long-term care insurance in France

Brun, Emmanuelle- CNSA, France

New Developments in Funding LTC and Family Leave in Germany

Matthias von Schwanenflügel-Federal Ministry for Family Affairs, Senior Citizens, Women and Youth, Germany

Recent trends in the UK

Raphael Wittenberg- LSE, United Kingdom

The US experience

Pamela Nadash- University of Massachusetts Boston, the USA

Workforce and migrant care workers – Chair: J. Moriarty (UK) **Individual Presentations**

It's not the money so how do motivations drive decisions to work in the long term care sector?

Stevens, Martin -King's College London, United Kingdom

Co-authors: Jill, Manthorpe, Shereen Hussein, Jo Moriarty, Michelle Cornes, Jess Harris, Kritika Samsi

Compassion and care work: a contested concept or a much needed

Moriarty, Jo- King's College London, United Kingdom

Co-authors: Shereen Hussein, Jill Manthorpe, Martin Stevens, Michelle Cornes, Jess Harris, Kritika Samsi

Long term care: an analysis of the profile of the professional caregivers

Martin-Caraballo, Ana- PABLO DE OLAVIDE UNIVERSITY, Spain

Co-authors: SEGOVIA GONZALEZ, M. MANUELA, HERRANZ PATRICIA, GUERRERO FLOR M.

Evidence-based policy making – Chair: A. Noro (Finland) **Individual Presentations**

Strategic planning in the LTC sector: the benefits of using data

Fosti, Giovanni- Bocconi University, Milan; SDA Bocconi School of Management. Italy.

Co-authors: Francesco Longo, Giulia Galimberti, Elisabetta Notarnicola

Surveying the Implementation of the Act for Elderly Care and Services in Finland

Noro, Anja- National Institute for Welfare and Health, Finland

Co-authors: Hanna Alastalo, Matti Mäkelä, Harriet Finne-Soveri, Päivi Voutilainen

13:15 - 14:15 Lunch

14:15-15:00 PLENARY SESSION

Funding long-term care in the future: challenges and policy strategies

Heinz Rothgang- University of Bremen, Germany

15:15 - 16:45 Parallel sessions

Ascot – Chair: A. M. Towers (United Kingdom)

Organised Session

Using ASCOT in economic evaluation

Forder, Julien – PSSRU, LSE, University of Kent, United Kingdom

Using ASCOT to inform care practice

Smith, Nick-PSSRU, University of Kent, United Kingdom

Co-authors: Ann-Marie Towers, Sinead Rider and Elizabeth Welch

Developing a social care outcome measure for unpaid carers

Fox, Diane & Rand, Stacey- PSSRU, University of Kent, United Kingdom

Co-authors: Juliette Malley, Ann Netten

Measuring Long-Term Care Outcomes using ASCOT – Experiences from Austria

Trukeschitz, Birgit- Vienna University of Economics and Business, Austria

International comparative analysis – Chair: J.L. Fernandez (United Kingdom)

Individual Presentations

Evaluating the reforms of the social care eligibility system in England

Tom Snell-PSSRU, LSE, United Kingdom

Co-author: Jose-Luis Fernandez

How will the growth in formal Long-term care affect long run fiscal sustainability in Norway

Holmøy, Erling-Statistics Norway, Norway

Co-author: Birger Strøm

Long Term Care for the elderly in a country after transition. Example of Poland

Czepulis-Rutkowska, Zofia- Institute of Labour and Social Studies, Poland

Care Models – Chair: J. Wiener (USA)

Individual Presentations

A new model of assistance: the first insurance experience of LTC care model

Sabbi, Vanessa- UniSalute , UnipolSai group, Italy

The Impact of Dementia on Hospital and Emergency Department Use among Older People across Residential Settings

Wiener, Joshua M. - RTI International, the USA

Co-authors: Zhanlian Feng, Laura Coots, and Yevgeniya Kaganova

Japan's next care system: how do communities participate?

Agenosono, Yoshiko, Kamoza Saori, Hori Takaki - Nihon University, Adachi Council of Social Welfare, Japan

16:45 - 17:00 Coffee break

17:00 – 18:00 Parallel sessions

Individual Presentations

Regulation – Chair: R. Rodrigues (Portugal)

Who Benefits from Public Reporting of Nursing Home Quality?

Konetzka, Tamara R- University of Chicago, the USA

Co-authors: David C Grabowski, Marcelo Coca-Perriallon, Rachel M Werner

Explaining the fees gap between funding types in the English care homes market

Allan, Steve-The University of Kent, United Kingdom

Co-author: Julien Forder

Whether to make or buy long-term care services – market developments in old-age care in selected European countries

Rodrigues, Ricardo- European Centre for Social Welfare Policy and Research, Portugal

Co-authors: Juliane Winkelmann, Kai Leichsenring

International comparative analysis – Chair: G. Sundstrom (Sweden)

A Qualitative Exploratory Study on the Effects of Marketization of Long-term Care Services for Older People in Korea

Chon, Yongho- Incheon National University, South Korea

Potential and challenges of online service quality feedback mechanisms to support service consumption decisions

Trigg, Lisa-LSE, United Kingdom

Older persons: A welfare resource in both Spain and Sweden

Sundström, Gerdt- Jönköping University, Sweden

Equity and Efficiency – Chair: P. Wija (Czech Republic)

The performance evaluation system of Nursing Home in Tuscany Region: the target diagram of 50 NH

Rosa, Antonella- Scuola Superiore Sant'Anna di Pisa, Italy

Co-authors: Sabina Nuti, Pietro Amat. Linda Palatella

Is long-term care in the Czech Republic equitable, available, and efficient? Major developments and challenges for long-term care in the Czech Republic

Wija, Petr- Charles University, Czech Republic

Co-author: Holmerova, Iva

Measuring regional variation in the productivity of care home in England

Yang, Wei-PSSRU, University of Kent

Co-author: Julien Forder

20:00 - 00:00 Conference dinner

Wednesday 3rd of September 2014

10:00-11:30 Parallel sessions

Housing and Care – Chair: G. Costa (Italy)

Individual Presentations

Best practice dementia friendly environment design in care home: value to residents, relatives and staff

Birken, Mary- City University London, United Kingdom

Co-authors: Stephen Abbott; Julienne Meyers

Supporting sustainable improvements in community engagement in care homes

Walker-Lane, Grace- City University - School of Health Sciences, United Kingdom

Co-authors: Julienne Meyer and Frederique Lamontagne-Godwin

Alternatives to home informal care and nursing homes in old age: an Italian exploration

Costa, Giuliana -Politecnico di Milano, Italy

Long-Term Care in the United States in 1989 and 2014: Same or Different?

Organised session

Long-Term Care in the United States in 1989 and 2014: Same or Different?

Wiener, Joshua-IRT International, the USA

Charlene Harrington-presentation TBC

Nadash, Pamela- presentation TBC

Personal health budgets – Chair: K. Jones (United Kingdom)

Organised Session

Implementation of personal health budgets

James Caiels-The University of Kent, United Kingdom

The impact of personal health budgets on quality of life and well-being

Jones, Karen- PSSRU, The University of Kent, United Kingdom

Costs and cost-effectiveness of personal health budgets

Julien Forder-PSSRU, The University of Kent, United Kingdom

The next steps for the evaluation of personal health budgets

Jones, Karen- The University of Kent, United Kingdom

11:30 - 11:45 Coffee break

11:45 -13:15 Parallel sessions

Workforce and migrant care workers – Chair: G. Bauer (Austria)

Individual Presentations

Later-life care work migration: Patterns and determinants of reorganising informal care obligations
Bauer, Gudrun- Vienna University of Economics and Business, Austria
Co-author: August Österle

Zero-hours-working in the UK, functional equivalents and policy responses
Casey, Bernard H- University of Warwick, United Kingdom

Who cares? A scoping study to explore key issues in care and nursing staff in UK care homes
Hanratty; Barbara&Karen Spilsbury- University of York, United Kingdom
Co-authors: Dorothy McCaughan, Tony Butterworth

Care models in long-term care Chair: K. Graham (United Kingdom)

Individual Presentations

When local initiatives meet national public policies: The dynamics of innovation in integrated long-term care
Henaut, Leonie - Center for the Sociology of Organizations, CNRS/SciencesPo, France
Co-author: Marie-Aline Bloch

A question of specialism? Adult safeguarding and models of social work practice in England
Graham, Katherine- King's College London, United Kingdom
Co-authors: Martin Stevens, Caroline Norrie, Jo Moriarty, Jill Manthorpe, Shereen Hussein

The challenges of scaling up innovative models of integrated care: lessons from the Gnosall primary care-based dementia service
Clark, Michael - NIHR School for Social Care Research, LSE, United Kingdom
Co-authors: Josie Dixon, David Jolley, Susan Benbow, Ian Greaves & Nicola Greaves

Maximising the impact of research on policy making in long-term care: innovations in involvement and knowledge exchange - Chair M. Knapp (United Kingdom)

Organised Session

Presentations TBC

13:15-14:15 Lunch/Closing reception
